

## TOWARDS INTERNATIONALIZATION

Every day our school, in line with PTOF primary aims, promotes the internationalization of education in order to open up new horizons and build up bridges with other schools around the world. The following projects are meant to boost internationalization within our school:

### ✓ LANGUAGE COURSES:

Throughout the year Learning English Courses are offered to boost students and teachers' language skills with the possibility of taking a Language Certificate.

---

### ✓ CULTURAL EXCHANGE WITH UTAH UNIVERSITY

Thanks to a convention with the University of Bergamo, every year in March we host a senior student from Utah university specializing in Agriculture and let him get on the stage and add a new perspective to our lessons.

---

✓ **ERASMUS**

The Erasmus Commission is in charge of looking for foreign contacts, Erasmus calls, European projects and opportunities. We regularly host delegations of students and teachers from all Europe and we have participated as partner country to the project VET Enternpreneurs4Future led by the high school Villa de Abaran in Spain.
