

SUSTAINABLE ECONOMY / LABORATORY

The laboratory offers a brand new perspective on everyday economy by using the fairy tale of Pinocchio and the 17 goals of Agenda 2030.

For any information contact filippa.lentini.d@iiscastiglioni.edu.it

THE WORLD OF MUSHROOMS / LABORATORY

The laboratory aims at creating a mushroom farm after providing students with an in-depth practical knowledge in the field.

For any information contact benedetto.napoli.d@iiscastiglioni.edu.it

JOB SAFETY COURSE

Students attending the second year of the vocational curriculum and the third year of the technical one will attend this course in order to get basic knowledge concerning security at workplace. After completing the course students will receive a certificate of attendance.

For any information contact salvatore.cannella.d@iiscastiglioni.edu.it

RinnovArt / LABORATORY

The laboratory aims at strengthening the identity of our company by renovating its exteriors. The creation of murals, bench painting and signs will be a few of the activities carried out during the course.

For any information contact mariapia.cardamone.d@iiscastiglioni.edu.it

MORPHOLOGIC EVALUATION OF COWS / LABORATORY

The laboratory focuses on the genetic evaluation of cows and its economic implication. It combines face-to-face lessons with on-field visits.

GENDER EDUCATION

The project aims at preventing gender violence and stereotypes, thus training students to recognise alarming signs of mistreatment and abuse.

For any information contact patrizia.zafferami.d@iiscastiglioni.edu.it

SEEDS FOR THE FUTURE

The project aims at safeguarding the psychological and relational health of students.

The activities are centred on the management of emotions and the creation on an inclusive and healthy learning environment.

For any information contact davide.maggi.d@iiscastiglioni.edu.it

LET'S VOLUNTEER. I AM HERE FOR OTHERS

The main aim of the project is teaching and sharing the “value” of volunteering activities.

Experts working in the field will share their first-hand experience with students, who will be also involved in volunteering activities as well.
